Frequently Asked Questions

Find instant answers to our most common questions below.

■ Orders & Shipping

Q: How do I place an order?

Browse our website, add items to your cart, and proceed to checkout. You'll need to create an account or check out as a guest. We accept all major credit cards, PayPal, and Apple Pay.

Q: How long does shipping take?

Standard shipping takes 5–7 business days. Expedited (2–3 days) and overnight options are available at checkout. Orders placed before 2 PM EST ship the same business day.

Q: Can I change or cancel my order?

Orders can be modified or cancelled within 1 hour of placement. After that, the order enters processing. Contact our support team immediately at support@company.com and we'll do our best to help.

Q: Do you ship internationally?

Yes! We ship to over 50 countries. International delivery typically takes 10–14 business days. Customs duties and taxes are the responsibility of the recipient.

■ Returns & Refunds

Q: What is your return policy?

We offer a 30-day hassle-free return policy. Items must be unused, in original packaging, with tags attached. Sale items are final sale and cannot be returned.

Q: How do I initiate a return?

Log into your account, navigate to Order History, select the item, and click 'Start Return'. You'll receive a prepaid shipping label via email within 24 hours.

Q: How long do refunds take?

Once we receive your return, refunds are processed within 3–5 business days. The credit will appear on your original payment method within 5–10 business days depending on your bank.

Q: What if my item arrived damaged?

We're so sorry! Please photograph the damage and email support@company.com within 48 hours of delivery. We'll send a replacement or issue a full refund — your choice.

■ Account & Billing

Q: How do I reset my password?

Click 'Forgot Password' on the login page and enter your email. You'll receive a reset link within 5 minutes. Check your spam folder if you don't see it.

Q: Why was my payment declined?

Payments can decline due to incorrect card details, insufficient funds, or bank security checks. Verify your billing address matches your bank records, or try a different payment method. Your bank may also require you to authorize the transaction.

Q: Is my payment information secure?

Absolutely. We use 256-bit SSL encryption and are PCI-DSS Level 1 compliant — the highest security standard. We never store your full card number on our servers.

Q: Can I have multiple shipping addresses?

Yes! You can save up to 10 shipping addresses in your account under Profile > Saved Addresses. You can select any saved address at checkout.

Q: Does my product come with a warranty?

All products include a 1-year manufacturer's warranty covering defects in materials and workmanship. Extended 2-year and 3-year warranties are available for purchase at checkout.
